# Having a problem concept

Having a problem is a difficulty;

a matter about which it is difficult to decide what to do;

is a question to be answered or solved.

# How we are feel when have a problem?

We find something or someone annoying or offensive.

We have problems that make us unhappy and difficult to deal with.

We feel that something is not acceptable or agreeable to oneself.

# Problem identification

We try to identify any smaller issues within the main problem.

When we have clearly defined problem, it is easier to make decisions.

# Problem clarification

We ask questions to clarify what is not clear within the problem:

- What?
- When?
- Where?
- Who?
- How?
