

Practical Activity

0.6.1A. Social Media Memory Game

Cards to cut out

Users post and interact with short messages known as "tweets".	
Connect with friends, family and other people you know. Share photos and videos, send messages and get updates.	
Video platform for communication needs, including meetings, chat, webinars, and online events.	
Instant messaging, voice messaging, sending pictures, videos, GIFs.	
Internet Browser	

Instructions

Cut out the cards.

Separate the pairs and mix them.

Place the mixed cards facing down.

We have to match the description
and the logo.

Each participant can turn over two cards.
We turn the cards in turns.
