

PRACTICAL ACTIVITY 2.5.3B. SWOT analysis. Participation in the organisation.

When we are part of an organisation,
we think as a person but also as part of the group.
This tool guides and encourages you to be part of the group.
Take a white piece of paper, draw 4 squares and answer these questions.

STRENGTHS

S

What can I do well in my life?
What can I do well in my organisation?

W

WEAKNESSES

What do I need to improve ?
Some bad habits?
Some of my behaviours?

OPPORTUNITIES

O

What do I want to achieve?
Who can be my coach in the organisation? Which person can I guide?
Who can be my tutor in the organisation?
Is there a dream occupation I can do in the organisation?

T

THREATS

What can make me stop being a part of the group?
Do I have enough people who support me?
Are there any people who is a bad environment?

When you finish, share your work with your friends in the organisation.
This way you will know each person's strengths.
With this tool you can decide what each person does.
